HOTEL  
**CAMIRAL**  
AT PGA CATALUNYA RESORT

Set next to the PGA Catalunya Golf Course, this brand new 5-star hotel that recently joined the leading hotels of the world, offers panoramic views over the golf courses, swimming pool or gardens, in spaces that offer a perfectly luxurious blend of space, comfort and design. Rooms at Hotel Camiral are decorated in warm, natural colours and offer views of the surrounding countryside.

**STADIUM COURSE | PAR 72 | 6,104 yds**

Conceived as a venue for world-class tournament golf, The Stadium Course has twice hosted The Spanish Open. Dramatic elevated tee shots are a feature of the course, with tree-lined holes cutting a path through pine forest to large, undulating greens protected by lakes and bunkers.

**TOUR COURSE | PAR 72 | 5,476 yds**

Opened in 2005, this slightly shorter and more forgiving course is a perfect complement to the demanding Stadium Course. While the picturesque front 9 meanders through pine forest with strategically placed bunkers, the back 9 opens out onto rolling golf holes that ride the contours of the estate and its lakes.
